# Sample PDF with SFW and NSFW Content

## Page 1 - SFW Content

This is Safe For Work content. It could include educational materials, business documents, or general information that's appropriate for all audiences.

## Page 2 - NSFW Content

This section is labeled as Not Safe For Work. The content here is sensitive or explicit and not suitable for public or professional environments.

## Page 3 - Mixed Content

This page includes a mix of both SFW and NSFW content. It demonstrates scenarios where automatic detection systems might be useful in flagging parts of the document.
